

## All Paths lead to the Hole

***Though we guarantee you will never be “teed-off” during your stay, balls aplenty definitely get teed off in the region surrounding the Karnerhof, here along the shores of the Faaker See – on a total of 12 golf courses, ranging from 9 to 27 holes in size.***

The Melchers are themselves passionate golfers. Which is yet another reason why your Four-Star-Superior Hotel Karnerhof is a genuine hole-in-one for avid chasers of that little white ball: 12 golf courses, spread across the charming “3-Corners Region” of Carinthia-Slovenia-Italy, are within just 10 to 45 minutes of the hotel. Italy is right next door, while Tarvisio is only 35 km and Udine barely 120 km away. The 27-hole course in Bled, Slovenia, is also just a 30-minute drive from here. And even if you are still a fledgling in the world of “eagles” and “birdies”, you can still enjoy the great benefits of a golf package at the Karnerhof, a charter member of the Alpe-Adria Golf Club in Villach-Faaker See / Schloss Finkenstein.

***Golf “Birdie” incl. 3 enjoyable days at the Karnerhof, 2 dinners, stylish relaxation in the SPA facility and 2 greens fees, from € 405 (Season 1) per person in our “Faakersee” half-apartment.***

***Golf “Eagle” 7 enjoyable days at the Karnerhof, 5 dinners, stylish relaxation in the SPA facility and 5 greens fees, from € 852 (Season 1) per person in our “Faakersee” half-apartment.***

**Golf packages at the Hotel Karnerhof are bookable from 18 April until 2 November, 2008.**
