

Waves of Water & Love

With just a few strokes of the oar, lovers will discover the seclusion they seek – during a romantic boat “Pique-Nique” on the Faaker See, in the sunny south of Carinthia.

The nostalgic little rowing boat drifts quietly on the lake, the chilled champagne bubbles in the glass – this romantic “Pique-Nique” is the highlight of a package at the Hotel Karnerhof intended for those very special occasions. Nestled in the picnic basket is a gourmet three-course meal featuring mouth-watering delicacies from the kitchen of our own hotel restaurant, the Götzlstube (awarded “Two Chefs’ Hats”), along with wine, champagne and water. But when it comes time to voice that perfect declaration of love, you will have to find the right words all on your own!
